Carolina Water Service, Inc. filed an application for Approval of a Bulk Sewer Service Agreement between Carolina Water Service, Inc., and Utilities, Inc. and Georgetown County Water and Sewer District. This will affect 275 premises located within the Whites Creek and Lincolnshire subdivisions in Georgetown County. A typical customer will pay \$41.73 per month for sewer however if Application is approved our monthly charge will range from \$80.00 to \$94.96. On June the 18 <sup>th</sup> a hearing has been scheduled in Columbia to determine if the Application will be approved.
We, the undersigned, are concerned citizens who live in the Whites Creek or Lincolnshire subdivision in Georgetown urge that this Application not be approved. We are not in favor of Docket No. 2012-383-WS and wish for our monthly fee to remain the same. We feel that we already pay the adequate amount for our sewer flow. We urge the Commission to consider the Whites Creek and Lincolnshire Communities wishes.

DOCKET NO. 2012-383-WS

Application of Carolina Water Service, Inc. for Approval of a Bulk Sewer Service Agreement between Carolina Water Service, Inc. and Utilities, Inc. and Georgetown County Water and Sewer District

Carolina Water Service, Inc. ("Applicant" or "CWS") has filed an Application with the Public Service Commission of South Carolina (the Commission) for approval of a Bulk Sewer Service Agreement by and between Carolina Water Service, Inc., Utilities, Inc., and Georgetown County Water and Sewer District ("Georgetown"). The Application was filed pursuant to Title 58 of the South Carolina Code and 10 S.C. Code Ann. Regs. 103-541 and 103-743.

The Applicant is a public utility operating water and wastewater systems under the jurisdiction of the Commission in Georgetown County, as well as certain other counties in South Carolina. CWS provides sanitary sewer service to approximately 275 premises located within the Whites Creek and Lincolnshire subdivisions in Georgetown County. Georgetown is a special purpose district. CWS and Georgetown have negotiated an agreement in which Georgetown will provide bulk sewer services to the Applicant. According to the Application, Georgetown will accept the sewage collected by CWS from the Whites Creek and Lincolnshire subdivisions at a metered delivery point at or near the Whites Creek and Lincolnshire subdivisions and transport the sewage through Georgetown's collection system to the City of Georgetown's wastewater treatment facilities. The terms of the Bulk Sewer Service Agreement reveal that CWS is responsible for payment of the sewer connection fee of three hundred thirty-nine thousand dollars (\$339,000.00) which the Applicant is seeking to record these costs as utility plant in service additions, subject to review and audit by the Office of Regulatory Staff in CWS's next rate proceeding. Once the Bulk Sewer Service Agreement is approved, according to the Company's Application, a typical customer will pay about \$41.73 per month, based on a collection charge of \$26.73, and a \$15.00 pro rata charge based on 7,000 gallons per month in sewer flow, according to estimates provided by Georgetown County. However, the South Carolina Office of Regulatory Staff (ORS) has filed correspondence with the Commission that states that upon the ORS's review of the Application, which included a review of the proposed bulk sewer service agreement, ORS has determined that the total monthly charge would range between approximately \$80.00 to \$94.96, if the proposed bulk sewer service agreement with Georgetown is approved.

Any person who wishes to participate in this matter, as a party of record with the right of cross-examination, should file a Petition to Intervene in accordance with the Commission's Rules of Practice and Procedure on or before **May 8, 2013**, and indicate the amount of time required for his presentation.
